*'TIS THE SEASON
(TO BE SECURE).*

— WORKSHOP REGISTRATION —

You are invited to the **Palo Alto Security Santa Workshop**.
Join us on **December 6, 2016**, for this “hands-on” event.

Spend a full day with our Palo Alto Networks security experts with hands on labs! You'll be introduced to the Palo Alto next generation security solutions, and instructed on best practices enabling a preventative approach to your security posture. We will have documented modules for a self-paced workshop that will allow you to spend time on the most pertinent topics to your environment.

Interested? Seats are limited, so please register now to secure your place(s). For more information, see the tentative agenda and registration information below.
