

Increase your productivity with this amazing dual core system.

With the option of either an Intel® Pentium® Dual Core, Intel® Celeron®, Intel® Core 2 Duo, or Intel® Quad Core processor combined with an Intel® G33 Express chipset, our G33 desktop delivers quite a performance. This system offers dual core technology making everyday tasks or heavy workloads a breeze. It is equipped with a powerful integrated graphics solution, up to 4GB of system memory, and your choice of either genuine Microsoft® Windows® XP Home/Professional or Microsoft® Windows® Vista™ Business/Ultimate operating system.

Howard Technology Solutions recommends genuine Microsoft® Windows® XP Professional.

Q: Does this system replace another Howard product?

A: Yes. This system replaces the 965; however, we will continue to provide FREE phone and web support for the 965 to the original purchaser for the lifetime of the system as we do with all of our Howard systems.

Q: What is the Intel GMA 3100?

A: The GMA 3100 is Intel's latest integrated graphics chipset that features 3-D enhancements enabling greater flexibility and scalability and improved realism with support for Microsoft DirectX 9.0c.

Q: What advantage do I get from the 1333FSB?

A: The 1333FSB (Front Side Bus) allows for compatibility with the latest Intel processors including the new 45nm Pennryn CPU's.

Q: Does Howard Technology Solutions offer installation services?

A: Yes, Howard Technology Solutions has a Network Services Group that can do installation of systems as well as network analysis and other technical services.

Q: What is LifeGuard recovery solution?

A: Howard LifeGuard recovery solution is a smart recovery management system. If your PC becomes unstable or your operating system is damaged, then the Howard LifeGuard recovery system can restore your system to factory condition or a backup you've created. The LifeGuard system can be used by pressing F4 at the PC's startup screen.

Q: Whom should I contact for support?

A: Call Howard Technology Solutions for world-class support and service if there are any questions about the desktop. Customer support is available online at <http://www.howardcomputers.com/support>, through phone at 1.888.323.3151, by email at tech@howardcomputers.com or by traditional mail at Howard Technology Solutions, 36 Howard Drive, Ellisville, MS 39437.
