High-speed connectivity with dual monitor capabilities!

The NV71 desktop provides you with a host of features without compromising your budget. It comes equipped with a 1333 Front Side Bus that enables it to run the latest processors from Intel® and a dual integrated video that allows you to run dual monitors without the need for an added graphics card. You will also benefit from up to 4 GB of system memory, integrated high-definition 8-channel audio, and the capability of high-speed network connectivity thanks to the integrated Gigabit LAN. And don't forget, the NV71 comes with your choice of Microsoft® Windows® XP Home/Professional or Windows® Vista™ Business/Ultimate.

Howard Technology Solutions recommends genuine Microsoft® Windows® XP Professional.

Q: What is the Nvidia GeForce 7100 graphics?
A: The GeForce 7100 is Nvidia's latest integrated graph ics chipset that features 3-D enhancements enabling greater flexibility and scalability and improved realism with support for Microsoft DirectX 9.0c.

Q: Does this system support dual-monitors?
A: Yes. You can run dual monitors with this system without the need for a discrete graphics card.

Q: What advantage do I get from the 1333 FSB?
A: The 1333 FSB (front side bus) allows for compatibility with the latest Intel® processors including the new 45nm Pennryn CPU's.

Q: Does Howard Technology Solutions offer installation services?
A: Yes, Howard Technology Solutions has a Network Services Group that can do installation of systems as well as network security analysis and other technical services. Call us today for a quote.

Q: What is LifeGuard recovery solution?
A: Howard LifeGuard recovery solution is a smart recovery management system. If your PC becomes unstable or your operating system is damaged, then the Howard LifeGuard recovery system can restore your system to factory condition or a backup you've created.

Q: Whom should I contact for support?
A: Call Howard for world-class support and service if there are any questions about the desktop. Customer support is available online at http://www.howardcomputers.com/support, through phone at 1.888.323.3151, by email at tech@howardcomputers.com or by traditional mail at Howard Technology Solutions, 36 Howard Drive, Ellisville, Mississippi 39437.

Experience the Howard advantage.
