

## Technology that works as fast as you do

The new Howard™ WX5400 workstation delivers blazing fast computing performance. With the powerful combination of *Nvidia's SLI™ technology or ATI Crossfire™*, and up to two *Intel® Xeon® Quad-Core™ or Core™2 Extreme processors*, along with Intel's 5400 Express chipset, the WX5400 *takes graphic-intensive programs like AutoCAD, and other 3-D applications, to the next level of rendering-speed and precision.* For professionals who want to get the job done fast, *the Howard™ WX5400 gives you the speed you need!*

Howard Technology Solutions recommends genuine Microsoft® Windows® XP Professional.

### The Howard Advantage!

Network	Integrated gigabit LAN
Ports	<ul style="list-style-type: none"><li>•USB: 10</li><li>•LAN:1</li><li>•Firewire: 2</li><li>•eSATA: 2</li></ul>
Power Supply	Up to 1.2kw
External Drive Bays	Up to 7 drive bays (depending on configuration)
IDE Devices	Supports up to 2 IDE devices
Dimensions	24.8" (H) x 10.5" (W) x 23.6" (L)

## Q: What is extreme about this new Howard desktop?

A: The Howard WX5400 uses the first dual socket desktop board from Intel®. With dual CPU capability, it provides up to an 8 core processing extreme experience.

## Q: What exactly does an "8 core processing extreme experience" mean?

A: It means unmatched performance for doing everything labor intensive, from digital editing to heavy-duty gaming and more.

## Q: Does Howard Technology Solutions offer installation services?

A: Yes. Howard Technology Solutions has a Network Services Group that can do installation of systems, as well as network security analysis and other technical services. Call us today for a quote.

## Q: What is LifeGuard recovery solution?

A: Howard LifeGuard recovery solution is a smart recovery management system. If your PC becomes unstable or your operating system is damaged, then the Howard LifeGuard recovery system can restore your system to factory condition or a backup you've created. The LifeGuard system can be used by pressing F4 at the PC's startup screen.

## Q: Whom should I contact for support?

A: Call Howard Technology Solutions for world-class support and service if there are any questions about the notebook. Customer support is available online at <http://www.howardcomputers.com/support>; through phone at 1.888.323.3151; by email at [tech@howardcomputers.com](mailto:tech@howardcomputers.com) or by traditional mail at Howard Technology Solutions, 36 Howard Drive, Ellisville, Mississippi, 39437.
