

The_Call_of_the_Wild

But Buck was neither
house dog nor kennel dog.
The whole realm was his.

Intel Reader

will

~~I want to~~ experience every word.

What if the act of reading suddenly adapted to your world? It has.

Now reading is as easy as point, shoot, and listen.

The portable, handheld Intel® Reader combines a high-resolution camera with the power of an Intel® Atom™ processor. It converts printed text to the spoken word. It also displays text in a size you pick. Even entire books are accessible anytime, anywhere. Everything about the Intel Reader is, well, easy.

The Intel® Reader

Do not use the Intel® Reader as a sole means of reading safety or hazard warnings, medication labels or instructions, or financial or legal documents when a reading inconsistency or misreading of written text might put you at risk of personal injury or economic harm. For such critical reading, always use a backup means to confirm that you understand the writing, such as an alternative accessible format or another person.
