WSCA/NASPO Contract No. A66310

Howard Technology Solutions is proud to join with the Western States Contracting Alliance (WSCA) to bring you bigger discounts on technology equipment vital to your organization. From our Howard manufactured desktops and laptops to printers and networking equipment, we offer top-of-the-line products from industry leaders such as Fujitsu, Toshiba, Samsung, and more. Visit our WSCA website today at www.howard.com/WSCA or call 888.912.3151 to speak with a Howard Technology Solutions representative.

If you are in the market for an item that we do not offer on the WSCA contract, we will be glad to assist you by providing you with an open market quotation for the products you need provided the purchase fall within your state's purchasing thresholds. Through a combination of both the WSCA contract and open market quotes, we offer over 190,000 technology-related products from our own Howard-manufactured notebooks, desktops, and servers to faxes, scanners, printers, and ink and toner replacement cartridges.
