What can HOWARDedu do for you?

Here are some hot topics that are on the minds of our Higher Education & K-12 Education customers.

The 1:1 Computing Initiative (Teacher & Student Device Procurement)

Go One-to-One to create a truly individualized learning environment; engage students more fully, and reduce traditional classroom expenditures at the same time. It's easier and more affordable than ever with budget-friendly tablets, Google Chromebooks, and charging stations from HOWARDedu. Setup is simple, and easy-to-manage Chromebooks are perfect for sharing securely.

Interactive Classroom Solutions (21st Century Classroom Installations)

Capture attention and maintain student focus with the right technology—easy to use technology that promotes active learning. From interactive assessment tools that let you gauge student understanding instantly to state-of-the-art audio visual solutions that enable you to make connections outside the classroom and around the world, HOWARDedu has what you need to spark a new interest in learning.

Wireless Infrastructure Solutions (Campus-Wide Reliable Connectivity)

Give teachers and students the freedom to roam without losing connectivity; support BYOD collaboration, and accommodate a suddenly increased number of users and equipment with ease. You can do it with a robust and reliable Wi-Fi infrastructure—a wireless network that employs the latest secure-networking protocols; one designed to optimize feature functionality, while reducing configuration and maintenance requirements.

Physical Security (Student Safety, Network Security, Emergency Response)

Upgrade security with advanced IP surveillance solutions, from campus-wide monitoring that helps deter vandalism and other offenses to state-of-the-art mobile surveillance solutions that promote student safety and help prevent disciplinary problems on school transportation.

Video Surveillance

Monitor more locations with fewer personnel and deter crime, violence, and misbehavior using IP-based video surveillance, the security solution of choice for schools and campuses everywhere.

Access Control

Manage access levels to meet regulatory compliance objectives and ensure security of computer networks, system files, and important data.

Incident Response

From **overseeing public safety at a sporting or other large-scale event to managing campus security,** HOWARDedu has everything you need for strategic planning and incident response.

You need IT. **We do IT.**

Virtualization (Desktop & Server Virtualization)

Speed up deployment of desktops and servers. Run multiple operating systems and applications on a single computer or on the same server at the same time. Experience less downtime and reduce equipment acquisition, management, and operating costs. In short, improve the efficiency and availability of IT resources and applications through virtualization.

Security Software (Identity & Network Safety, Emergency Response)

Improve productivity, protect and manage your assets more effectively; automate daily tasks, and collaborate worldwide—all it takes it the right software! HOWARDedu offers a huge selection of software solutions, including applications for information management and resource monitoring; data backup, and network security.

Professional Development & Training

Expand your virtual campus with digital courseware solutions for teachers and students— scalable, personalized instruction coordinated with distance learning that accommodates multiple learning styles and yields measurable results.

Everyday Technology Purchasing (E-commerce & Accessories)

HOWARDedu partnerships enable us to offer a rich portfolio of over 250,000 products, ranging from desktops, notebooks, tablets, and servers to printers, presentation carts, digital cameras, and accessories.

APP (Approved Products Website Feature)

In the Approved Products section of our website, you'll **see only those technology products that are approved for purchase** and that reflect pricing discounts specific to your organization.

Contracts (Federal & State Education Funding)

Simplify procurement and maximize your buying power. Cooperative multi-state contracting enables HOWARDedu to offer a wide array of technology products and services at prices you won't get anywhere else.

E-commerce & Accessories (howardedu.com)

Shop HOWARDedu, your dedicated Education technology & E-Rate provider since 1998. We provide K-12 and higher education facilities with audiovisual and instructional solutions, network security, storage solutions, and more—competitively priced both on and off contract.
