

C.1 NETWORK SOLUTIONS POWER PROTECTION, COOLING & LAN STORAGE

POWER PROTECTION DEVICES for Education

From charging stations and portable device batteries to surge protectors and uninterruptible power supply systems, Howard has everything you need—high-quality, brand name electrical products—to minimize accidental downtime and ensure a constant supply of clean and reliable power. Our dedicated K-12 and Higher Education representatives are thoroughly trained to ensure that each has a good working knowledge of the products we offer and a comprehensive understanding of the procurement requirements and challenges associated with education.
