About Howard

Howard Technology Solutions, founded in 1998, is a division of Howard Industries, a billion-dollar, privately held company headquartered in Ellisville, MS. As a leading manufacturer and provider for computer hardware and related equipment, we are committed to creating, providing, and supporting superior products and services that meet or exceed the needs of our customers.

While technology may be complex, we believe obtaining it doesn't have to be. This simple fact, along with our strategic partnerships, enables us to offer a rich portfolio of over 250,000 products ranging from desktops, notebooks, tablets, servers, networks, printers, digital cameras, and accessories to custom designs and presentation carts.

Howard Technology Solutions has been satisfying business, educational, governmental, and medical customers for over 10 years. When it comes to technology, Howard has you covered!

Strategic partnerships with other industry leaders enable us to offer a rich portfolio of over 250,000 technology products ranging from desktops, notebooks, and rugged laptops that can handle the most extreme mobile environments to digital cameras, printers, and a powerful array of network security tools to ensure that your system is fully protected. We also offer specialized mobility solutions that include our automatic vehicle locator (AVL) and Tacticomm, our modular emergency response vehicle.
