For a PC that's power-packed and picture-perfect...

The new Howard G41desktop provides powerful, high-speed performance, superior gaming compatibility, and spectacular 3D graphics for the best picture ever! Powered by the latest 45nm Intel® Core™ 2 Duo or Core™ Quad processors, the G41 maximizes productivity by smoothly processing multiple applications simultaneously. Intel's integrated GMA 4500 graphics package brings amazing new visual dynamics into play for the ultimate in realism, and enables you to run dual monitors without the need for an added graphics card. Whether you're watching a movie, playing a game, or taking care of business, the Howard G41 is your ticket to picture-perfect performance.

Howard Technology Solutions recommends genuine Microsoft® Windows® XP Professional.

Modem	PCI 56K v.92 Voice/Data/Fax (optional)
Network	Integrated gigabit LAN
Ports (Serial/USB/Audio LAN/VGA)	USB: 8, Audio: 3, LAN: 1, VGA: 1, DVI: 1
Power Supply	Up to 410W (depending on chassis)
Dimensions (H x W x L)	Small Form Factor: 3.94"(H) x 12.99"(W) x 16.42"(L) Micro Tower: 13.94"(H) x 7.31"(W) x 14.7"(L)

Q: What is the Intel® GMA 4500?
A: The GMA 4500 is Intel's latest integrated graphics chipset that features 3-D enhancements, enabling greater flexibility and scalability, as well as improved realism, with support for Microsoft® Direct X 10.

Q: What advantage do I get from the 1333FSB?
A: The 1333FSB (Front Side Bus) allows for compatability with the latest Intel® processors, including the new 45nm Pennryn CPUs.

Q: Does Howard Technology Solutions offer installation services?
A: Yes, Howard Technology Solutions has a Network Services Group that can do installation of systems as well as network analysis and other technical services.

Q: What is LifeGuard recovery solution?
A: Howard LifeGuard recovery solution is a smart recovery management system. If your PC becomes unstable or your operating system is damaged, then the Howard LifeGuard recovery system can restore your system to factory condition or a backup you've created. The LifeGuard system can be used by pressing F4 at the PC's startup screen.

Q: Whom should I contact for support?
A: Call Howard Technology Solutions for world-class support and service if there are any questions about the desktop. Customer support is available —
