

# Maximize mobile productivity.

Industry-leading computer mounting devices that hold many makes and models of laptops securely in place in your vehicle.

## Havis Mounting Solutions Productivity in motion

Anyone working in the Law Enforcement field knows that there is a lot of equipment required to help efficiently do their jobs. Let Havis products help to properly mount and store equipment and computers or keep prisoners & K-9's safe! Havis consoles and accessories are designed and manufactured with the driver in mind and are the first step in creating your mobile office.

Transport Solutions

Kwik-Kit® transport systems easily convert cargo and passenger vans into heavy-duty inmate transports while ensuring officer and passenger safety. Offered in four different lengths and one to four compartment options, these units not only help transport people but can also be used for evidence or storage.

Havis designs their units for officers and their canine partners with safety, comfort, visibility and space in mind. Their award winning units are available for sedans and for SUVs, these systems offer large side openings for improved K9 entry and exit as well as easier access for cleaning.
