Product number: H6Y88AA

HP HDMI to VGA Adapter

The HP HDMI to VGA Adapter maximizes the display functionality of your HP Ultrabook™ or Notebook PC by converting the HDMI output signal to an analog VGA input for easy connecting to an external VGA display for dual-display productivity.

Product number: H4F02AA

Messaging Footnotes

¹ Sold separately or as an optional feature.

³ Internet service required and sold separately.

⁴ This offer is tied to this device and non-transferable; if returned, the extra storage will be revoked. In order to redeem, you will need to be on Chrome OS 23 or later. Internet access is required and not included. Additional information about storage plan, refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/Chromebook/answer/2703646?hl=en>.

Technical Specifications Footnotes

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. NVIDIA's numbering system is not a measurement of clock speed.

² For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. 5.1GB of the eMMC are dedicated/allocated to the OS and OS partitions.

³ This offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en>

⁴ For 802.11, wireless access point and internet service required and not included. Availability of public wireless access points limited.

⁵ Mobile Broadband is an optional feature and requires factory configuration. Connection requires wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products or in all countries.

⁶ HD content required to view HD images.

⁷ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

⁸ Battery life testing conducted by HP using Google Chrome OS power_LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details.
