

LENOVO YOGA TABLET 10 HD+

**A GREAT TABLET JUST GOT GREATER.
MULTIMODE DESIGN + LEGENDARY BATTERY LIFE, AND NOW FULL HD.**

A better way is here and it's better than ever. The revolutionary multimode Lenovo Yoga Tablet 10 HD+ still boasts ground breaking design and epic battery life, but now delivers an even better experience with powerful Qualcomm® Snapdragon™ processor and a dazzling Full HD display. Plus, the dual front-facing speakers with onboard Dolby® digital sound delivers an outstanding audio experience, perfect for movies, games and web browsing. With 3 different modes, you can use the Yoga Tablet 10 HD+ in Hold, Stand and Tilt modes. After all, your life has more than 1 mode. So why shouldn't your tablet?

WHY BUY THE
YOGA TAB 10 HD+

1 VERSATILE MULTIMODE DESIGN – READ, VIEW OR PLAY

The YOGA 10 HD+ features Lenovo's acclaimed multimode design – HOLD Mode for reading, STAND Mode for viewing, or TILT Mode for gaming. It's perfect for everything you do.

2 AMAZING FULL HD DISPLAY

Movies, games and presentations jump off the 20/20 Vision Full HD Display. 'Smart Display' technology auto-adjusts for perfect brightness and color in any environment.

3 FASTER, MORE POWERFUL, FOR LONGER

YOGA 10 HD+ is powered by Qualcomm® Snapdragon™ 400 quad-core processor at a speed of 1.6 GHz. The legendary triple-cell battery lasts for up to 18 hours on a single charge.

4 MULTIMEDIA DYNAMO

Enjoy a full multimedia experience – movies, music, games, photos – with Dolby®-enhanced dual front speakers, 8MP rear camera and much more.

WHO NEEDS THE
YOGA TAB 10 HD+

1 People who love to be entertained with movies, music, games, and photos all day long on an amazing HD display.

2 People who want the latest, coolest device for everything from socializing to entertainment.
