Take your students places they've only dreamed of with robust, immersive virtual reality experiences to astound, amaze, and EDUCATE in ways never before possible.

Virtual Reality (VR) technology and accessibility has exploded and is now the #1 technology in K-12 education as technology and content evolve to provide even more amazing learning opportunities.

- Lead students to the depths of the ocean, through the vastness of space, and on countless other learning experiences - all without leaving the classroom
- Teach and learn with fewer distractions
- Any subject in any context - any time

**SCHOOLS AND STUDENTS WANT VR!
AND LENOVO IS LEADING THE WAY**

Lenovo's VR Classroom is the first, all-in-one, ergonomically optimized, high-performance virtual reality classroom system including the tools, content, and processes to provide effective, hands-on learning that takes students places they've never gone before!

With state-of-the-art technology and award-winning content from Google, The Wild Immersion with the support of Jane Goodall, Scholastic, and other industry-leading providers, the **Lenovo VR Classroom** will make students say "WOW"! Check out the details and you might just say it yourself..

LENOVO VERSUS THE REST - A QUICK COMPARISON

| Lenovo VR Classroom Kits | Competing VR Systems |
|--|--|
| Includes all elements to set up a complete VR classroom | System elements purchased separately |
| State of the art hardware ensures longevity and optimal performance | Piecemeal offerings often include inferior, mass-produced hardware and devices |
| Includes exclusive content like The Wild Immersion with the support of Jane Goodall as well as award-winning content like Google Expeditions | No additional included material |
| Custom STEM lesson plans from Scholastic and personalized professional development from Educational Collaborators | No other kit offers this |
| VR180 Camera accessory integrates seamlessly to allow teachers and students to create their own amazing VR content | No guarantee of compatibility or usability for optional accessories |
| Full suite of services included: Advanced exchange, premier support, and school-year warranty | Multiple numbers to call for support, and you'll get it when you get it |

LENOVO VR FEATURES & BENEFITS

The advantages don't stop there. The **Lenovo VR Classroom** is loaded with value added features and benefits, like:

All required hardware included:

- **Lenovo Mirage Solo Headsets** for students
- Tablet and supporting materials for instructors
- Routers, cases, and more!

State of the art hardware provides cutting-edge VR learning:

Lenovo Mirage Solo Headset with Daydream

- No phones, no computers, no cables - ergonomically designed for optimal comfort and a full 110 degree field of vision, this pure plug and play headset provides a fully immersive, wirelessly-controlled VR experience
- Education model has fully cleanable fabric for classroom use

VR Classroom Cart

- The ultimate device storage solution featuring ease of use and transport and a convenient, low-outlet-use charging station

VR Classroom Router

- This powerful connectivity solution will ensure peak performance across all content delivery processes including video streaming with excellent stability and unparalleled reliability

Extraordinary content:

- Hundreds of other educational apps for Google Daydream, including access to **Google Expeditions** field trips and incredible, fully-immersive content like **The Wild Immersion with the support of Jane Goodall**, **Scholastic** lesson plans, and **Educational Collaborators** professional development, the **Lenovo VR Classroom** gets teachers and students started right out of the box!

Value-added services make program implementation and maintenance easy:

- One year, school year warranty, which can be upgraded to two years
- Kit includes: Advanced exchange (no hassle quick-swap), and Premier support (direct, one-number to call)
- Device connection, testing, shipping - all built-in!

Multiple kit sizes guarantee the right fit for any learning situation:

- 3 Student Kit
- 10 Student Kit
- 24 Student Kit
