

School Communications Pack Offer for K-12

Order an Evaluation Unit — get a complimentary School Communications Pack

PLACE YOUR REQUEST BY MARCH 31, 2014

Get a digital color printer to evaluate for 45 days with no cost or obligation—and start enhancing your teaching experience.

Program Overview:

- School Communications Pack includes a DVD with the most popular activities and events templates in an editable Microsoft® PowerPoint® format and a series of colorful, instructional timeline banners; plus one (1) 25-sheet pack of banner paper.
- All School Districts are eligible for a complimentary School Communications Pack with an order for a digital color printer evaluation unit from OKI.
- Printer(s) ships with complete set of 2,000-page starter toner cartridges. Offer does not include replacement toner or regular printer paper.

Program Rules:

- Offer includes select digital color printers from OKI.
- Offer valid through March 31, 2014, or while supplies last.
- No shipping or handling charges. Oki Data Americas, Inc., will ship evaluation units and School Communications Packs to school addresses and arrange for printer pick-up after 45 days. Deliveries cannot be made to P.O. boxes.
- K-12 School Communications Pack promotion is not in place of any Education Rebate that may apply.
