TECH&LEARNING
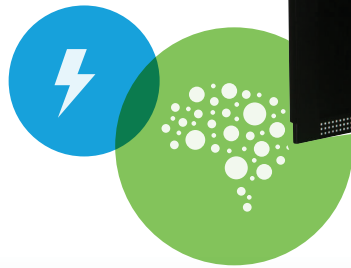

Load with ease

TabChargeCT2's two easy-access sliding shelves hold up to 40 laptops, Chromebooks, netbooks, iPads, Android and Windows tablets (devices with up to 14" screens).

40

It's wise to organize

Rigid metal device separators and plastic guides are designed to fit and protect most mobile devices, allowing for easy routing of cables. Separate numbered compartments conveniently hold AC adapters.

Intelligent charging system

TabChargeCT2 monitors all 40 devices in groups of 10 and determines the best charging sequence: all device groups at once, or each group individually. No programming required – automatic, safe and efficient!

We've got your back

With AVer, you not only get a superior solution, but you are backed by dedicated Technical and Customer Support teams, plus America's best cart warranty: 10 year mechanical/ 5 year electrical.

10 Year & 5 Year

Safe, secure, durable

With three-point steel locking mechanisms built into its cabinet doors, TabChargeCT2 provides a safe haven for your devices when they are being charged or stored.

Dependable, versatile, maneuverable

TabChargeCT2's large capacity, steel construction, and smooth-rolling, 5" medical-grade locking swivel castors provide a rugged, yet easily maneuverable storage cart that can double as a teaching platform!
