# DELAWARE - WSCA B27165 / CONTRACT #GSS09133-COMPUTER

WSCA approved products/manufacturers by band

Please keep in mind that just because a manufacturer is listed does not mean we can sell every part number they offer in a particular category. This is intended to be a quick reference guide as to which manufacturers we have listed in each Band on the contract. You must check the approved Product and Services Schedule (PSS) found on the WSCA website www.howardcomputers.com/wsca or the WSCA website to be sure the manufacturer and the part number are approved under the contract.
