SOUTH CAROLINA HIGHER EDUCATION

HOWARDedu New Customer Introduction

HOWARDedu is your dedicated Education technology provider. Since 1998, we've provided higher education facilities with consultation, design, and installation services for audiovisual and instructional solutions, network security, storage solutions, and more. We've simplified procurement with convenient website tools such as expanded search-and-compare capabilities, live chat, quick-view dashboards for tracking quotes and orders, with instant re-order options for frequently used products. Now, it's time to see what HOWARDedu can do for you.
