## WHAT CAN HOWARD TECHNOLOGY SOLUTIONS DO FOR YOU?

Our Corporate Headquarters is home to our technology division, Howard Technology Solutions, and its medical division, Howard Medical. These two divisions bring to market cutting-edge technology that includes audiovisual and instructional solutions, network security and storage solutions, as well as installation, consulting, and design services. From distance learning and interactive classroom products to point-of-care medical carts and specialized mobility solutions, we make great technology available, and we make it affordable.

Howard manufactures superior products that continue to secure market recognition and satisfy growing demands. In addition to our own Howard-branded products such as desktops, notebooks, and servers, we offer a wide array of over 450,000 brand name products through strategic partnerships with other industry-leading companies. We pride ourselves in the quality of our products and provide a level of product support that is second to none.
