

## Value-priced and energy-efficient

The clear choice for cost-conscious consumers this year is Howard's new G41C desktop! With just the right combination of high performance features like Intel's Core™ 2 Quad or Core™ 2 Duo processors, DDR3, and high-speed network connectivity, an energy-efficient design and extra-low price-point, the G41C is a tremendous value! It features Intel's GMA4500 graphics package for a realistic experience in 3D and video, and comes with your choice of Windows® 7, Vista, or XP. Whether it's business or pleasure, the Howard G41C is one value you can't afford to miss!

Howard Technology Solutions recommends genuine Microsoft® Windows® 7 Professional.

### The Howard Advantage!

**Q: What is the Intel® X4500?**

A: The X4500 is one of Intel's latest integrated graphics chipsets that features 3-D enhancements enabling greater flexibility, scalability, and improved realism with support for Microsoft® DirectX 10.

**Q: What advantage is there for using DDR3?**

A: DDR3 offers improved performance over DDR2, with higher clock frequencies, and greater memory throughput.

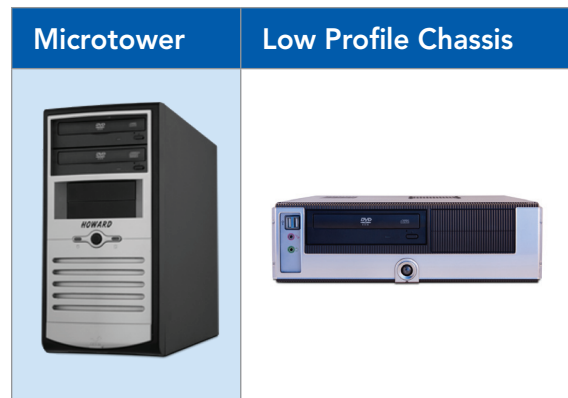

**Q: What advantage do I get from the 1333 FSB?**

A: The 1333 FSB (front side bus) allows for compatibility with the latest Intel® processors including the new 45nm CPU's.

**Q: Whom should I contact for support?**

A: Call Howard for world-class support and service, if there are any questions about your Howard product. Customer support is always available:

Online at <http://www.howardcomputers.com/support>,  
 By phone at 1.888.323.3151,  
 Via email at [tech@howardcomputers.com](mailto:tech@howardcomputers.com), or  
 Through conventional mail at: Howard Technology Solutions,  
 36 Howard Drive, Ellisville, Mississippi 39437.

## Experience the Howard advantage.

### Product Upgrades

Enhance your purchase with any or all of the following products or services. And feel free to contact us toll free at 888-912-3151 to discuss any questions or your specific needs!

- Dual monitors
- Wireless keyboard and mouse
- Wireless networking
- On-site service
