

HOWARD

The best of both worlds For business and pleasure

Howard's new 1799 desktop replacement mixes business with pleasure and does it brilliantly. With its 17.3" full HD, anti-glare, widescreen LCD and powerful Optimus graphics package, the 1799 produces crystal-clear images that bring everything to life. Super-fast 7th Generation iCore processors, coupled with a Bigfoot Killer network, deliver the speed and system responsiveness required by serious gamers and appreciated by busy professionals. Other high-performance essentials include a solid-state hard drive, DDR5, which is twice as quick and more power efficient than DDR4; a webcam, built-in HD audio, and a fully customizable backlit keyboard. For practical business or pure entertainment, get the best of both worlds with Howard's new 1799.
