

A lot of PC in a little package!

The Howard™ 2goPCT is an Intel-powered classmate PC, expressly designed for learning and growing! An ideal mobile personal learning device for primary students, ages 5-14. Developed specifically to enhance learning, the 2goPCT engages children with real PC performance and touch-screen capability in a convertible tablet design that is semi-rugged, yet lightweight and easy to carry. Combined with other practical, education-oriented features that improve the learning experience, Howard's 2goPCT is the ideal classmate!

Howard Computers recommends genuine Microsoft® Windows® XP Professional.

The Howard Advantage!
