

## Top of the Class

Howard's newest Intel-powered, classmate PC, the 2goPCT3, is here! It's "tops" in its class—and it's affordable. Based on the Intel® Learning Series and powered by Intel's Atom™ dual core N2600 processor, this Microsoft Certified® convertible tablet delivers an increased level of computing power, performance, and efficiency. Its ruggedized, water resistant design allows it to withstand the drops, bumps, and spills incidental to life on the go. Other features include a retractable carrying handle, 1366×768 high resolution, swiveling, touch screen, DDR3, a 2MP webcam, Bluetooth wireless capability, and up to 10 hours of battery life. Make learning the collaborative, interactive, and fun experience it should be with Howard's 2goPCT3.

Howard Technology Solutions recommends genuine Microsoft® Windows® 7.
