

Performance, Versatility, and Affordability

The MB50 is Howard's newest solution for a low-cost, high-performance notebook. This system uses an Intel® HM65 chipset that supports all of the latest 2nd generation i-Core™ processors for an amazing level of high-performance. It features a webcam, as well as numerous interfaces for connecting your favorite accessories. The MB50 also supports 802.11n and Bluetooth wireless options and weighs under 6 lbs, making it ideal for users on the go. Performance, versatility, and affordability combine to make Howard's MB50 the ideal choice for cost-conscious consumers.

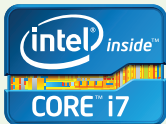

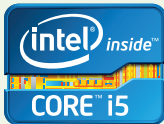

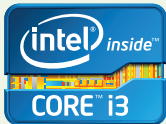

Howard Technology Solutions recommends genuine Microsoft® Windows® 7.
