

HEIGHT ADJUSTABLE ROLLING TV STAND

Luxor introduces the competitively priced FP1000 - Height Adjustable Rolling TV Stand as the newest addition in our line of mobile TV stands and carts. You can effortlessly roll the space-saving TV stand between offices, trade shows, and classrooms. The black steel mount holds up to a 70" TV and adapts to various viewing environments with its height range of 40"-60". Once in place, four locking casters safely provide a sturdy and stationary display. Allow yourself the freedom of movement with this slender and durable TV stand.
