Luxor is proud to introduce the new Electric Standing Desk- a sturdy desk that not only delivers the health benefits of standing, but makes adjusting its height up or down as simple as clicking a button. The Electric Standing Desk is a mobile solution for improving employee health and wellness while creating a collaborative atmosphere.

- Height adjusts between 45.25" and 29.5"
- Generous 47.25" x 29.5" surface area
- Sturdy steel frame with powder coat painted finish
- Meets ANSI/BIFMA standards
- Easy to roll and maneuver with wheels and two locking brakes
- All tools required for assembly are included
- 7 Year Warranty on the motor - Limited Lifetime Warranty frame and desktop
