

STANDING DESK

STUDENT DESK – PNEUMATIC SIT STAND DESK STUDENT-P

Students increasingly require physical outlets as academic pressure rises, physical activity decreases, and attention spans wane. Schools are turning to standing desks as numerous studies have shown their extensive benefits in aiding student engagement and improving mental & physical health. Luxor's new student desks adjust height with a pneumatic pedal to easily alter between sitting and standing for a personalized environment. The desktop includes placeholders for pencils and a water bottle, and four casters aid student collaboration and classroom flexibility. Help your students stand their way to success!

- Meets ANSI/BIFMA and CPSIA standards
- Height adjustable between 29" and 43.5"
- Proven to increase student focus and ability to stay on task
- Pneumatic foot pedal allows students the ease and freedom to move between standing and sitting
- Desktop conveniently holds pencils and water bottle; includes hook to hang book bags
- Four casters and two locking brakes provide classroom flexibility and collaboration
- Steel construction can withstand excessive use

* Available through select dealer partners

The pneumatic pedal allows students to adjust the height without causing any classroom disruption. Desktop features a convenient pencil and cup holder.
