Curve Q370N1

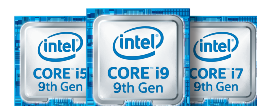

POWERED BY HOWARD INNOVATION

Take the 'tough' out of workloads and add it to your gaming presence!

Get the All-in-One that's easy on the eye, both aesthetically and ergonomically—Howard's Curve Q370N1. This 32-inch, full WQHD system offers sophisticated styling as well as ergonomic benefits in the curvature of its design. This design provides a wider field of view with less distortion, for a more natural viewing experience. It features NVIDIA's Quadro Series for faster video and stunning graphics—4K-crisp imaging that breathes life into everything you do, so presentations are more powerful and gaming is more realistic.

Powered by the latest Intel® 8th or 9th generation i-Core processors, the Curve Q370N1 delivers the speed and responsiveness necessary for high performance. Additionally, the Curve Q370N1 is one of the only AIO's on the market with a liquid-cooled, temperature-regulated system; so, it stays cooler longer, extending the life of your computer.

Intel, the Intel logo, Intel inside, Core i7, i5 & i3 are trademarks of Intel Corporation in the US and other countries.
