

HI-Care E

HI-Care E

The HI-Care is an industry-recognized ergonomic mobile solution, with a flexible design tailored to fit multiple and varying workflows. Our most popular cart offers full class-exclusive features to automate, update, and communicate based upon the individual needs of your facility.

Ergonomic Features

- A short distance between the worksurface, keyboard tray, and patient bins reduces unnecessary arm movements and bending
- Ergonomic adjustable push handles with soft-touch grip on front of cart are available
- Rubberized foot rests on each side of the cart allow for a more relaxed stance and relieves fatigue
- Slide-out keyboard tray with integrated wrist rest (max keyboard dimensions 18.2" W x 7.5" D x 1.6" H)
- Keyboard is auto-leveling with a -15 degree negative-tilt and a positive-tilt up to 6 degrees
- Open architecture at wheel base allows end user to maintain their normal walking stride
- One-touch worksurface height adjustment allows for a full sit/stand range of motion
- 270° Vesa mount to allow full view swivel when maneuvering cart
- Available with on-demand steer assist technology (SAT). When SAT is engaged, the rear casters act as pivot points, easing and stabilizing the navigation, and effortlessly allows the end user to navigate around corners, doorways, and other changes in direction

Other Features Include:

- Central control panel with convenient electronic worksurface and monitor height adjustment, lighting controls and storage management
- VESA monitor mount has tilt, 270° swivel, and rotation adjustments
- Flexible storage configurations with add on capability can be customized to fit multiple workflows
- Universal accessory mounting locations on rear of cart and on monitor mount (choose from 12+ optional accessories)
- 270° wrap-around handle on sides and rear
- Large, raised-edge worksurface area (17"W x 14.3"D) with translucent protective cover
- Medical grade (all touch surfaces)
- Dedicated cable management area with easy access panels to manage and house excess cables
- Integral AC power distribution with 6 AC receptacles for powering customer equipment
- Large, fan cooled, PC compartment (17.1"W x 12.5"D x 3.2"H)
- 7 Port powered USB hub
- Battery fuel gauge
- The easy-swap cassettes allow the HI-Care cassettes to be easily swapped between the cart to a Transfer cart
- 8ft coiled power cord with hospital-grade AC plug with dual hooks integrated
- (4) 5" dual wheel premium casters (2 locking casters on front)
- Tool-less battery cover (snap-on) and tool-less battery and power supply replacement
- Available with multiple power options that you can choose from to best fit your workflow, including Howard Powermax 150
- Remote cart monitoring and management software
- Advanced electronics are an option on the HI-Care with features such as: drawer sensing, automatic drawer lighting, and drawer ajar alarm
- Mouse surface and mouse holder (left or right)
- Cart and cart accessories ship fully assembled in one box for convenience
- Meets UL and CE standards
