

# A5 Kiosk

## Howard A-Series A5

Charging stations are becoming one of the fastest growing segments in the tech industry because of the several benefits that come along with it. With Howard's A5 charging kiosk, give your customers a reason to stay a little longer. While customers are charging their devices, this give you the optimal opportunity to boost sales and build engagement, as well as customer loyalty.

Give your customers a reason to stay a little longer with the Howard A5 Kiosk
