1 Limitations apply. Promo valid for ST-C2100, ST-C4100, ST-M1000 and ST-M3000 printers through authorized Epson® resellers only from 04/01/23 to 03/31/24. Product must be registered before 04/30/24. Limit 8 additional bottles of 502® inks per printer. Max. 8 claims per printer. Each claim cannot contain multiple bottles of the same color. Limit 2 additional bottles of 532 inks per printer. Limit one bottle per claim. Based on average monthly document print volumes of about 150 pages (ST-C2100), 200 pages (ST-C4100) and 300 pages (ST-M1000/ST-M3000). Promo applies to ink only. Printer covered by Epson 2-year limited warranty. For promo participation, you must register your product. | Included and replacement ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/inkinfo. | 3. Included ink bottle yields are based on the Epson methodology using the ISO/IEC 19752 pattern in default mode printing continuously. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently. Ink will be used for printing and printer maintenance. For more information, visit www.epson.com/inkinfo. | 4 Replacement ink pack yields are based on the ISO/IEC 24711 standard using the ISO/IEC 19752 pattern in default mode printing continuously. Ink pack yields vary considerably for reasons including images printed, print settings, temperature, humidity, and frequency of use. Yields may be lower when printing infrequently. Ink is used for printing and printer maintenance. For print quality, part of the ink from the included ink packs is used for printer startup and a variable amount of ink remains in the ink pack after the "replace ink pack" signal. For details, see www.epson.com/inkinfo.
