

# NX4

POWERED BY HOWARD INNOVATION

## AI-Infused Processor Technology

Unlock the power of AI, create immersive graphics experiences, and enable high-performance low-power processing with Howard's NX4 laptop computer. The NX4 features Intel's new Core™ Ultra series mobile processors with built-in AI acceleration to boost productivity. With integrated Intel® Arc™ graphics and up to eight Xe-cores, the NX4 delivers more than twice the graphics performance of previous-generation integrated GPUs. This laptop utilizes the latest and most advanced AI technology and delivers the speed, flexibility, and security you need for CPU-intensive tasks. So whether you're multitasking like a pro or gaming on the go, the NX4 laptop from Howard is the ideal choice.

# NX4 Laptop
