

RT-10 Tablet

POWERED BY HOWARD INNOVATION

Rugged Power and Reliability

For jobs that take you out of your comfort zone and into challenging work environments, you need Howard's RT-10 rugged tablet solution. This lightweight tablet is certified to military (MIL-STD-810G and IP65) standards for protection against the potentially damaging effects of drops, extreme temperatures, dust, water, shock, and vibration. It features Intel® processors that deliver the needed power for whatever you do; symmetric speakers for clearer audio, and built-in front and rear cameras for video recording and communication. Whether you're in the field, behind a desk, or anywhere in between, the RT-10 offers ultra-mobility and reliable high performance with low power consumption and a long battery life.

RT-10 Tablet
