

CARES Act Funding for Organizations Technology for the New Normal

Federal coronavirus relief funding is aiding organizations in their efforts to prepare and respond to the pandemic. Now more than ever, upholding safety and productivity is paramount; that's why we are proud to help organizations during these challenging times with solutions to help employees work smarter and safer in the New Normal.

Make the most out of your CARES Act funds

Collaboration Displays

Get flexible collaboration while maintaining social distancing requirements with the AQUOS BOARD® interactive display.

Laptops & Desktop Monitors

Fill technology gaps with laptops, desktop monitors and accessories to enable users to do their jobs from virtually anywhere.

Situational Awareness

Providing clear and concise guidance is now more important than ever before. Sharp commercial displays and monitors can be used to direct individuals to the correct areas at the right times.

Unified Communications

Help colleagues connect through a unified platform for voice, chat and video as well as Microsoft 365 collaboration tools. Sharp offers the Windows collaboration display, which allows users working in a hybrid environment to connect and collaborate.

Contact us today to learn how we can help support your preparedness and response initiatives.
