### ABOUT

The Ultra Ergo TW110 was designed exclusively by ThinkWrite Technologies from the ground up with the singular goal of creating a better sounding, more comfortable headset. Informed by our professional classroom experience, the Ultra Ergo provides sustained comfort, superior sound, and ThinkWrite's signature durability.

Featuring ergonomically angled earcups and an optimized audio curve, ears remain protected from the stress of compression and strain of damaging frequencies over longer listening periods. With 30mm drivers delivering exceptional sound quality and a flip-down omni directional microphone boom positioned optimally for voice recording, the TW110 is the ideal on-ear headset for school testing and everyday usage.
