

Kiosks & Digital Signage Solutions

Connect with employees, students and visitors with HOWARD kiosks and digital signage

Featured Categories

Connect 24/7 with digital signage and interactive kiosks—efficient, cost-effective communication solutions designed to deliver relevant information in a matter of seconds. Special announcements and other safety information reaches your audience instantly and reliably and can be updated in real-time. Interactive kiosks can provide access to schedules and maps; they can also help streamline processes by automating self-service transactions. Do more with Kiosks and Digital Signage solutions from Howard.
