Winter Symposium Customer Day registration is now open.**

It’s almost time for our biggest Technology event of the year! Howard’s 2022 Winter Symposium. This year’s highlight will be “Customer Day,” and it’s all about you! Each year, we invite our partners, some of the biggest companies in the technology industry, to showcase their products and services. You’ll have the chance to meet and visit with them as you peruse their latest offerings. And “Customer Day” wouldn’t be complete without lunch and tours of our headquarters, so plan to make a day of it.
